

Waikoloa Village Outdoor Circle and the Friends of the Library – Waikoloa Region Present

Wiliwili Festival 2011 – Living Green

# REUSE

# INNOVATION CHALLENGE

Treasures from Trash Contest  
August 20, Waikoloa Village Golf Course

Living on an island makes keeping things out of our landfills extremely important. Every time we reuse an object there is one less piece of trash, one less bit of impact on our carbon footprint, and a little more money left in our wallets. For example, sun hats crocheted from plastic grocery bags, handbags made from old car upholstery, kitchen racks made from box springs.

If you have created treasures out of trash, you have the opportunity to share your ideas by entering them in the Reuse Innovation Challenge at the Wiliwili Festival 2011.

**Prizes will be awarded in four categories:**

- ✓ Clothing and Accessories
- ✓ Art
- ✓ Keiki (18 and under)
- ✓ Everything Else

**Entries will be judged on**

- ✓ Originality
- ✓ Creativity
- ✓ Environmental responsibility
- ✓ Environmental impact

Rules and entry forms can be picked up at the Waikoloa Village office or from

<http://www.waikoloaoutdoorcircle.org/html/wiliwilifest.htm>

Entry Deadline: August 17
